Points to note

Agents dealing with new customers

- Continue to push SIK at every opportunity
- All iQ5 box sales are to be sold in as SIK – whether address already has a satellite installed or as an IP option for addresses that do not currently have a satellite installed.
 - Tech professional installations are no longer an option from 1st July 2025.
- **New P&P effective 1st of September 2025.**

Agents dealing with existing customers

- This campaign **must not** be honoured for existing customers
- If an existing customer calls and wants a new customer offer, **please use NBA** to determine the best applicable course of action (unless customer signed up during the campaign period as outlined above)
